Advancing Care Transitions: ACH Patient/Family Perspectives and Emerging Practices

Presented by: Nadine Gall, MSc, Manager, Neurodevelopment Disorders Integrated Brain Health Initiative, ACH Care Coordination Program,
Sandra Oelhaupl, Patient and Family Centred Care Liaison &
Deborah Thul, BSW, RSW, ACH Adolescent Transition Coordinator

Register: <http://community.hmhc.ca/sessions/?p=online>

Session available until: March 31, 2020

Objectives:

1. Understand impact of transitions to adult care from the patient/family perspective.
2. Learn about emerging practices in care coordination aimed at creating more seamless transitions across health, education and community services.
3. Learn about ACH specific resources helping patients/families and care teams navigate care transitions across life's trajectory.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with the **NeuroDevelopmental Disorders (NDD) Integrated Brain Health Initiative** and the **Youth in Transition Program**
