The transition from children's services to adult services can be an exciting time in a young adult's life, but it can also be a time of uncertainty and challenge for the family. Children's Link Society and McMan Youth Family and Community Services have designed a workshop for parents to address some of the main issues for families who have youth ages 16 and up and moving into the adult service system.

Lorna Selig from Children's Link will discuss the Transition Process as it relates to the following:

- PDD - Persons with Developmental Disabilities
- AISH - Assured Income for the Severely Handicapped
- OPG - Office of the Public Guardian (Guardianship/Trusteeship)
