

Community Education Service

Improving emotional health and well being

Seeing through the VAPE

Presented by: Community Health Promotion Services,
Alberta Health Services

Given e-cigarette popularity amongst young Canadians there are concerns about the possible adverse health effects, renormalization of smoking and tobacco uptake among youth, and other unforeseen consequences of their use. In this workshop, you will gain knowledge about e-cigarettes and vaping, the impacts of nicotine, appropriate prevention, identifying problematic use and legislation.

This presentation is for Adults only
