This presentation will address common street drugs in the City of Calgary and its surrounding communities, their use and symptoms of use. Myths surrounding certain substances and the various other substances that are found within illicit drugs will also be discussed.

Level I: This session presents an overview of the topic, and would best meet the needs of families and/or professionals with little to no knowledge of, or experience with this topic.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with **CPS**
