Music Therapy & Early Childhood Development

Presented by: Sarah Van Peteghen, MTA BMT and
Marc Houde, MTA MMT

****Register: <http://community.hmhc.ca/sessions/?p=online>****

Session available until: February 1st 2018

**** This session is meant for those over 18 years old, and is an adult learning module. This session is not meant for children or as a learning tool in the classroom. ****

The purpose of this session will be to educate participants on the benefits of using music in early childhood. The presenters will also give an overview of how the development of infants and toddlers is promoted through music therapy interventions.

This session is presented by the Community Education Service of the Child & Adolescent Addictions & Mental Health Portfolio & Psychiatry (CAAMHPP) of Alberta Health Services and in partnership with **Therapeutic Arts Program at the Alberta Children's Hospital.**
