

Community Education Service FREE WEBINAR

The Implications of ADHD for Kids, Parents, and Teachers

Chip Taylor, Professor, Department of Psychology,
The Citadel, The Military College of South Carolina

2016-2017 Canada Fulbright-Palix Distinguished Chair in Brain Science and Child and Family Wellness

January 29, 2018
Session: 6:30 pm - 8:00 pm

Register: <http://community.hmhc.ca/sessions/?p=online>

This presentation will focus on discussing current trends in the treatment of ADHD and the impact of the disorder on social and academic functioning among school age children. Additionally, time will be spent discussing optimal means of diagnosis and treatment.

Level I: This session presents an overview ADHD and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with the **University of Calgary**.
