Do you ever feel like you are talking to yourself?  
Why don't they listen? Bring your questions and  
learn how to encourage your child's independence  
while teaching them to listen the first time.

Help everyone in your family to feel  
Confident, Capable and Calm.

**Level I:** This session presents an overview of strategies on how to communicate with toddlers, and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of AHS in partnership with [Parenting Power™](#)
