An introduction to key aspect of early childhood and brain development, and the crucial role parents and professionals play in buffering the impact of stress on children. Learn strategies to help young children become aware of and manage stress in fun and engaging ways.

Level I: This session presents an overview of kids and stress and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child and Adolescent Addiction, Mental Health and Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with [RVS](#), [MHCB Stepping Stones to Mental Health](#).
