Join us for an evening of learning regarding children's strong emotions and anger. We will discuss causes and concerns and learn ways to teach children how to regulate emotions and better ways to express these strong feelings.

Level I: This session presents an overview of non-suicidal self injury and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child and Adolescent Addiction, Mental Health and Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with Families Matter & Family Connections Parent Link—Huntington Hills
