Discover strategies and skills for parents
and caregivers of teens with ADD/ADHD

** This is a 2 part series, it is recommended that you attend both sessions.
Part 2 will be held on September 27th at 11:00am at the Alberta Children's Hospital **

Level I: This session presents an overview of what is ADHD and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child and Adolescent Addiction, Mental Health and Psychiatry Program (CAAMHPP) of Alberta Health Services .
