

Community Education Service FREE ONLINE SESSION

Adolescent Dating Violence: Prevalence, Correlates, Outcomes and Prevention

Presenter: Deineria Exner-Cortens, PhD, MPH,
Assistant Professor, Faculty of Social Work, University of Calgary

Register: <http://community.hmhc.ca/sessions/?p=online>

Session available until: March 1, 2019

This presentation will introduce attendees to the topic of adolescent dating violence. The latest research on prevalence, correlates and outcomes will be reviewed, as well as best practices for prevention. The presenter will also review key take-aways for health care providers, parents and educators.
