This session will start by briefly reviewing the history of cannabis use. The session will discuss the reasons cannabis is being legalized and the prevalence of its use. The benefits and harms of cannabis will then be reviewed and guidelines for youth will be presented.

Level I: This session presents an overview of emotional regulation and would best meet the needs of families and/or professionals with little to no knowledge of, or experience, with this topic.

This session is presented by the Community Education Service of the Child and Adolescent Addiction, Mental Health and Psychiatry Program (CAAMHPP) of Alberta Health Services, [RVS](#), [MHCB Stepping Stones to Mental Health](#) & [Mathison Centre for Mental Healthy Research and Education](#)
