This workshop will provide an overview of the Inclusive Post-Secondary (IPSE) model, promoting higher learning for adults with intellectual disabilities. The IPSE Team from the University of Calgary and St. Mary's University will be providing key information on the importance of collaboration, application processes/preparation and desired outcomes.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with **The Integrated Post-Secondary Education Society of Alberta** and **The Sinneave Family Foundation**.
