

# Community Education Service FREE ONLINE SESSION

## Identifying Youth at Risk of Psychosis

Kali Brummitt, Research Coordinator, Mathison Centre for Mental  
Health Research & Education

Register: <http://community.hmhc.ca/sessions/?p=online>

Session available until: May 9, 2019

Participants can expect to learn what clinical high risk of psychosis is, as well as what we know about conversion to psychosis. They will learn about symptoms that help identify young people at risk for psychosis. Finally, they will learn about our research group, how our projects might be helpful to them and their clients and how to refer to our program.
