

Community Education Service

Advancing Care Transitions: ACH Patient/Family Perspectives and Emerging Practices

Presented by: Nadine Gall, MSc, Manager, Neurodevelopment Disorders Integrated Brain Health Initiative, ACH Care Coordination Program &
Deborah Thul, BSW, RSW, ACH Adolescent Transition Coordinator

Wednesday, May 8, 2019

12:00pm - 1:30pm

Sign in: 11:45am

Alberta Children's Hospital

Kinsmen Learning Centre (4th floor)
2888 Shaganappi Trail NW, Calgary

Session is **FREE** of charge.
Parking fees may apply.
Limited child care available, call:
(403) 955-2500

Register: <http://community.hmhc.ca/>

To request Telehealth/VC or Audioline, **please click on the video or telephone icon** above or next to the session title on the website for more information on how to register.

Objectives:

1. Understand impact of transitions to adult care from the patient/family perspective.
2. Learn about emerging practices in care coordination aimed at creating more seamless transitions across health, education and community services.
3. Learn about ACH specific resources helping patients/families and care teams navigate care transitions across life's trajectory.

This session is presented by the Community Education Service of the Child & Adolescent Addiction, Mental Health & Psychiatry Program (CAAMHPP) of Alberta Health Services in partnership with the **NeuroDevelopmental Disorders (NDD) Integrated Brain Health Initiative** and the **Youth in Transition Program**
