Talking to Teens and Young Adults About Cannabis: What Parents Need to Know

Abby Goldstein, Ph.D., C.Psych. Associate Professor
Canada Research Chair in the Psychology of Emerging Adulthood
Department of Applied Psychology and Human Development
OISE, University of Toronto

May 2nd, 2019
11:45am – 1:00pm
(Calgary Time)

Register: <http://community.hmhc.ca/sessions/?p=online>

Drawing from the research on cannabis use and youth, Dr. Goldstein will:

1. Highlight key issues for understanding the impact of cannabis use on teen mental health and development; and
2. Provide practical recommendations for how parents can navigate conversations about cannabis use with their teens.
