Improving emotional health and well being

ADHD & Executive Functioning with Covid-19 Considerations

Michelle Deen, Registered Psychologist, B.A., B.Ed., M.Ed
Stephanie Sands BSc. Psychology
Carmen Dominguez, BSc., B.Ed., M.Ed. Student

The session will be an overview of ADHD and how issues with impulsivity and/or inattention impact children's ability to manage their environments. The session will also explore the impact ADHD has on Executive Functioning and how it relates to managing everyday tasks, and meeting daily expectations at home and at school, including social, emotional, behavioural and academic demands.
