

# Community Education Service

*Improving emotional health and well being*

## Employment Workshops

**Resume Writing**

**Networking and Work Search Strategies**

**Conflict Resolution**

*Prospect helps people who face barriers to employment overcome those obstacles by supporting individual skill development and creating workplace capacity.*

**These presentations, for  
parents/caregivers & their youth,  
will cover:**

**May 4 & 8: Resume Writing**

Learn how to create a youth resume, including an exploration of the different styles and uses for resumes.

**May 10 & 15: Networking and Work Search Strategies**

An exploration of youth job search strategies and how to create networks.

**May 17 & 22: Conflict Resolution**

Gain an understanding of what conflict is and how to resolve it in the workplace.
