

# Community Education Service

*Improving emotional health and well being*

## Gut Feelings

Valerie Taylor, MD, PhD, FRCPC  
Head, Department of Psychiatry  
Cumming School of Medicine

Join Dr. Taylor as she speaks to the growing body of evidence examining the link between the bacteria in your gut and mental illness.

She will address this literature and talk about what we know about this branch of science and what we don't know.

**Monday September 13 2021**  
**6:30 pm MST**

**Click here to register**

**FREE**

This session is presented by the Community Education Service of the Mental Health & Substance Use Collaborative Initiatives & Child & Adolescent Addiction & Mental Health and Psychiatry Program (CAAMHPP) of Alberta Health Services and the **Cumming School of Medicine, University of Calgary**
