Improving emotional health and well being

Sexual behaviours and school-age children: What you need to know

Cailey Hartwick, Ph.D., R.Psych. & Katarina Zunjic, MSW, RSW
Child Abuse Service
Alberta Health Services

This presentation will outline the continuum of sexualized behaviour in children ages 7-11 to help distinguish between developmentally expected and more problematic behaviours. We will also endeavor to explain the motivation/function and strategies to support children who may be exhibiting sexual behaviours.
