

# Community Education Service

*Improving emotional health and well being*

## navigate for kids - an online tool to help find disability related resources

Chelsea Wetherup, BCR, Program Coordinator &

Karen Divina BA(ChSt), Family Support Coordinator, Calgary SCOPE  
Society's Gateways Services

- Will provide an overview of Calgary SCOPE Society's Outreach Services and supports offered.
- Q & A for disability related supports and FSCD funding.
- navigate for kids provides disability related resources for families with children (up to 18 years of age) with developmental disabilities in Calgary.
- The purpose of this web application is to help parents, guardians, educators and professionals find supports specific to the child's needs.
- This free web application is available in Tagalog, Punjabi, Chinese and Arabic languages.
