Improving emotional health and well being

Building Strong Bonds: Understanding Parent-Child Attachment

Jessica George RSW, Dip. in Social Work, Family Support Facilitator

Sumeet Kalsi Dip. in Early Childhood Development & Education, Family Coordinator

Robyn Macpherson ECE, BA (ChSt), Family Support Facilitator

Parent & Caregiver Support Services with the City of Chestermere

This presentation looks at the important relationship between parents and children, showing how it affects a child's emotions and social skills. We will discuss key theories and real-life examples, and share tips on how to strengthen these important bonds in daily life.

**October 16, 2024
6:30 pm - 8:30 pm**
