*Improving emotional health and wellbeing*

## A Key to Preparing for the Move from Pediatric to Adult Services: Start Early

Presented by **Deb Thul, BSW, RSW**

Well on Your Way: Helping Youth Transition to Adult Care – Program Coordinator, AHS

An introductory education session on what to expect as youth transfer from pediatric to adult services. Professionals and families of youth ages 14 and up will gain an understanding of how to prepare for the transition to adulthood, as well as what community, government, medical and online resources are available.

**April 30<sup>th</sup> , 2025**  
**12:00 PM – 1:30 PM**
