Unmasking ADHD in Girls: Insights, Strategies, and Next Steps

Dr. Alethea Heudes, Registered Psychologist
Heudes Child Psychology and Consulting

This presentation explores how ADHD can present differently in girls often overlooked or misunderstood and how it impacts their day-to-day lives.

Participants will leave with strategies, tools, and guidance on next steps for seeking a diagnosis and/or accessing support

September 23rd, 2025
6:30 PM – 8:00 PM
