Sexual Exploitation 101 for Natural Supports

Bree McClellan BCST, CYCC (Pronouns: She/Her)
Coordinator, COPE Program

Participants will

- Increase their awareness of sexual exploitation within Calgary and area while learning how to identify risks associated with sexual exploitation in the community and online.
- Explore risk factors and unmet needs of youth through developing a greater understanding of the Stages of Grooming.
- Engage in a discussion around prevention/early intervention-based safety strategies, resources and supports available to reduce and respond to sexual exploitation risk in our communities.
