

Community Education Service

Improving emotional health and wellbeing

ADHD, Autism and Anxiety Can you have them all?

Dr. Cheryl Gilbert MacLeod, Registered Psychologist
The Family Psychology Place

ADHD, Autism and Anxiety share common characteristics. This presentation aims to help parents, caregivers, and educators what these characteristics are, how they are often misdiagnosed, and ways to help support your child/student with one or all of these diagnoses.

November 6th, 2025
11:30 AM – 1:00 PM
